

ML-2 UXO Magnetic Locator

ATTENTION

“UXO Techs”

NEW HANDHELD

Gradiometer/Magnetometer

“Long Reach - Balanced”

NOTE: We put a “cuff” on this one for testing, but found it doesn’t need one. It’s “balanced” so well, the cuff just got in the way.

- Designed for & by a UXO Tech.
- Lightweight & Balanced –use all day, no cuff needed.
- Keypad Controls built into the Tube.
 - On/off, Volume Control.
 - Sensitivity up/down.
 - “ZERO” Feature –Null out magnetic gradient.
 - Piezo Electric Speaker & “Mini-jack” for headset.
- No “bumps”, No “clumps”... Electronics inside the tube!
- Same Price as the ML-1M –take your choice.
- Same great Lifetime US Warranty.
- Same great Repair in 5-days or less. Average 2 days.
